Having undergone a renovation, the park now includes a dedicated children's area with a large pool and a floating pirate ship — stuffed to the seams with Sesame Street characters. Connected to the child pool is a full-sized adults-only pool, surrounded by Europe's highest free-fall water slide, 6-lane racer slides and, of course, sun loungers for enjoying the park in a more leisurely fashion! Like PortAventura, Costa Caribe has a wide range of eateries, with some five different cafes to choose from.
